

Important things to know

Chatham Islands Roads

- Drive to the conditions, slow down on gravel and going around corners, and keep to your side of the road
- Carry a jack, torch and spare tyre in your vehicle and know how to change a tyre
- Look out for trucks trailing boats
- Slow down to 20km/h around school buses and outside schools as children often act impulsively
- Watch out for runners and walkers
- Look out for stock on the road
- Stick to the speed limit
- Don't drink or use drugs before driving
- Make sure everyone in your vehicle wears a seatbelt or uses the right car seat

To report an accident
