

Chatham Islands Resource Management Document now fully operative

• Last Updated 22 Dec 2020

Following our [previous public notice](#), the Chatham Islands Resource Management Document is now fully operative from today, Tuesday 22 December 2020.

On 29 May 2020 the Minister of Conservation approved the regional coastal provisions of the Chatham Islands Resource Management Document.

The Chatham Islands Council, in accordance with Clause 20 of Schedule 1 to the Resource Management Act 1991, resolved to make the Chatham Islands Resource Management Document operative from 22 December 2020.

Chatham Islands Resource Management Document

The Chatham Islands Resource Management Document provides a framework for the integrated management of natural and physical resources of the islands including the sea area out to the 12-mile territorial limit.

Inspection and availability of the Chatham Islands Resource Management Document

A copy of the Chatham Islands Resource Management Document may be inspected on the [Chatham Islands Council website](#), at public libraries, and at the Chatham Islands Council at [9 Waitangi Tuku Road, Waitangi](#).

If you have any questions about the Chatham Islands Resource Management Document, please contact the Council on 03 305 0033.
