

Council budget outlook for 2019/20

• Last Updated 24 Apr 2019

The Chatham Islands Council is preparing to publish its Annual Plan for 2019/20.

As a Council, we consider that the proposed financial and service areas of our 2019/20 Annual Plan are largely unchanged from our [Long-Term Plan](#) for that year.

Specifically, our proposed rate increases have not notably changed and remain in-line with expected inflationary movements.

As such, the Council is not proposing to engage in a formal submission process. However, we do invite you to provide us with your feedback.

How to provide feedback

Please post this to the [Council](#) or email secretary@cic.govt.nz. This must be received no later than Friday 17 May 2019. We look forward to hearing from you.
