Funding available for rural sports teams

• Last Updated 27 Feb 2019

Sport NZ rural travel funding applications are now open for 2018/19.

Up to \$8,978.75 (excluding GST) is available for sports groups and schools.

The fund is designed to help subsidise rural travel for junior teams aged between 5-19 years. It helps school and club sports teams participate in local sporting competitions.

The fund is not available for travelling to regional or national events or to one-off events. The fund is intended for school sports teams or sports clubs teams, defined as:

a school club team participating in regular local sport competition out of school time, that excludes inter school and intra school competitions played during school time", and/or

a sports club team participating in organised, regular sport competition through club membership outside of school time.
