

Residents and Ratepayers Satisfaction Survey

• Last Updated 31 Aug 2020

The Chatham Islands Council has recently issued a Residents and Ratepayers Satisfaction Survey which all households should now have received in the post.

The purpose of the survey is to understand the community's level of satisfaction with Council's key services.

You can complete the paper survey and post it back to us, or [complete the survey online](#) .

We also ask that you complete an [additional COVID-19 survey](#) so we can gather feedback on the Council's emergency response during and following the COVID-19 lockdown.

All feedback is anonymous. The surveys should take 20-25 minutes to complete.

Your feedback is very important to us; thank you for taking the time to complete these surveys.
