Today the Chatham Islands Council has sent newsletter
to members of the community.

The new monthly e-newsletter is designed to keep our community informed of Council activities.

Each month, recipients will hear from the Mayor, Monique Croon, and receive key updates from Council and other stakeholders.

Mayor Croon said, "the loss of 'The Chatham Islander' has left a large gap for our Island communications, and I thank Rosemary Jackson for her contribution to our community. Sadly, the magazine was no longer viable despite advertising, subscriptions, and the offer of local support."

Anyone interested in Chatham Islands Council business and community notices can subscribe to receive the e-newsletter each month .

Previous editions of the e-
newsletter

will also be available on our website.

Please let us know your feedback on this new communication, and what you'd like to hear about from Council.
