Community Outcomes

Our community outcomes are developed with the community to help us promote Islanders' social, economic, environmental and cultural wellbeing.

Social Wellbeing: Resilient community

Greater connectivity, especially with on-island broadband projects, sustainable housing; building relationships on and off Island; and enabling us to respond promptly in times of need.

Cultural Wellbeing: Embracing diversity

We value the Chatham Islands way of life and its traditions. We recognise the special relationship with both local imi and iwi, and acknowledge the responsibilities it has to Moriori and Māori under the Local Government Act 2002 and the Resource Management Act 1991.

Economic Wellbeing: Growth builders

We will work in partnership with organisations to provide economic development opportunities. Such growth will increase prosperity and employment within our community.

Environmental Wellbeing: Sustainable action

COVID-19: Our office under the orange setting
