## Residents satisfaction survey opens

- Last Updated 04 Aug 2022

The Chatham Islands Council is once again running its residents and ratepayers satisfaction survey.

It is important for the Council to know how Chatham Islands residents feel about our performance and the way we deliver our many services and activities. One of the ways we do this is to undertake an annual residents survey - looking at what we do well, and where we need to improve.

[The survey\(external link\)](#) is designed to take 5-10 minutes to complete and closes on 31 August.

This survey is based on performance targets set for our many services - through both [our long-term](#) and [annual planning process](#).

The survey results will tell us how we are performing against these targets.

Your feedback is very much appreciated. All information provided is confidential. Your open and honest feedback is greatly appreciated by the Council and plays a critical role in us being able to deliver the best possible facilities and services for our community.

Everyone who completes the survey and includes their contact details goes in the draw to win one of three \$100 cash prizes.

Hard copies of the survey will be posted to everyone.
