Audited Annual Reports for 2020/21 and 2021/22 adopted by Council

- Last Updated 09 Aug 2023

Council adopted the audited 2020/21 and 2021/22 Annual Reports at a meeting on Thursday 29 June 2023.

Due to an auditor shortage in New Zealand, the audit of these documents was delayed. This delay resulted in Council being unable to meet its statutory reporting deadline but we elected to publish unaudited versions as placeholders to uphold transparency to our community. The unaudited versions have now been removed from our website and replaced with the edited audited versions.

If you are interested in understanding the progress towards our goals of creating a diverse, resilient and sustainable community for our people, our Islands and our future, over the past two years, we encourage you to

[View tide data](#)

read our full Annual Reports. Alternatively, the summary documents provide a high-level overview of the Council's activity.

These documents provide an update on our:

- Sustainable water and wastewater
- Waste Management Strategy
- Roading
- Council offices and community complex
- Social housing
- Predator Free 2050 programme
- Community programmes
- Island infrastructure
- Resilience and climate change.
