IT and technical support for Chatham Islands needed

• Last Updated 14 Sep 2022

We're on the lookout for a provider that can manage, maintain, and innovate IT and technical services for Chatham Islands Council and the wider Chatham Islands community.

This is a rare and unique opportunity for a service provider to truly make a positive difference to the Chatham Islands Council and the wider community in the Chathams.

The work will be wide-ranging, covering multiple areas of technical expertise, so we are seeking an all-rounder with multiple skills and technical experience. Flexibility to adapt to all situations and conditions is a must.

[View weather](#)

[View tide data](#)

This is a unique opportunity, it requires a can-do attitude in the face of a challenging locational, infrastructure and supply chain conditions.

Regular travel to, and time spent on the island is essential and would be regularly scheduled with remote support options being required when not on the island.

For more information, contact Nick Hallett on [027 239 7834](tel:0272397834) or see the [tender information\(external link\)](#).
