Water tanks are coming

- Last Updated 28 Mar 2024

The first of the water tanks were delivered this week and the installing has begun.

If you have a water tank coming, please make sure your site is ready. The truck and tank are wide, so ensure there is sufficient space to get through gateways and clear any low-hanging trees.

Our installer is contacting homeowners either by phone or dropping by on the way past to check if homeowners are ready or to notify those what day to expect delivery.

If you'd like to contact the installer, you can phone him on [021 389 131](tel:021389131) or catch him on the road. He will be off-Island from 26 March – 8 April but will still be contactable by cell phone.
