Connecting the dots: feedback sought on our proposed Long-Term Plan 2021-31

• Last Updated 05 May 2021

We have been busy preparing our proposed Long-Term Plan for 2021-31, and now we're seeking your feedback.

Consultation on our proposed Long-Term Plan 2021-31 is open from Tuesday 27 April until 4.30pm on Thursday 27 May 2021.

Every three years we turn to you, our residents and ratepayers, to give us your feedback on our proposed plan for the next ten years. Once approved, the proposals will make up our Long-Term Plan 2021-2031, which sets out our work and budget for the next decade.

We invite you to share your views with us. Your feedback will help Council connect the dots, aligning our Long-Term Plan 2021-31 with what's important to you, our community.

Read our consultation document [PDF, 3.1 MB], which outlines the significant and other important issues and choices facing our community for the next ten years. You can also read the full proposed Long-Term Plan 2021-31 [PDF, 4.3 MB], as information that supports our Consultation Document.

The Long-Term Plan 2021-2031 is expected to be adopted by Council, post-consultation in June 2021.

Make a submission:

By email to info@cic.govt.nz – please ensure you use 'LTP SUBMISSION' as your email subject and that your name and address are included. If you wish to attend the hearing, please indicate this in your email.

Or in hard copy – record your views and return by post to:

PO Box 24
Waitangi
Chatham Islands 8942
(Or deliver in person to the Council office at 9 Waitangi Tuku Road, Waitangi)
